New Delhi-110011, Dated the 20
Dated 15th Dec, 2016

D.O. No. AS/SBM/16/2016

Dear Sir/Madam,

As you are aware, Ministry of Urban Development is implementing Swachh Bharat Mission (SBM) Urban with a goal to make the country clean and open defecation free by 2nd October, 2019. One of the important components of SBM is capacity building of all city-level and state-level officials and other staff working for the Mission. Under this initiative, the third round of exposure visits have been planned in 7 cities for the next quarter.

2. **The next capacity building workshop is scheduled for 21st December 2016 on the topic "Burari Construction and Demolition (C&D) Waste Recycling Plant" at North Delhi Municipal Corporation (North DMC), Delhi.**

3. With rapid urbanization, C&D waste is a major contributor to the waste generated in million plus cities, and is being illegally dumped on roadsides and drains, causing environmental pollution and degradation. The C&D Waste Management Rules 2016, issued by the Ministry of Environment, Forest and Climate Change has placed strong emphasis on the roles and accountability of waste generators and various stakeholders, giving thrust to segregation, recovery, reuse, recycle at source, and to address in detail the management of C&D waste. Further, it has made it mandatory for local authorities to commission C&D waste plants in million-plus population cities within 18 months from date of notification of these rules.

4. Since your city is part of the million plus population cities, you are requested to **kindly nominate two staff members from your Municipal Corporation to attend this workshop by 19th December 2016.** The batch size for this training session is tentatively being restricted to 30 persons and is likely to increase only as per the discretion of the respective Municipal Corporation. Please share their details with the nodal person of the North DMC.

Mr. Devender Kumar, Director (osdsbm@gmail.com; 9717788660)

5. As this will be a peer to peer learning program, the boarding and lodging of the participating cities can be met from their respective capacity building funds. All participants must prepare a report on the session and share the same with the city. For further queries, you may kindly contact Mr. Pravin Bharadwaj from the PMU at +91-9818824258 or email at sbmurban.moud@gmail.com.

I look forward to your cooperation in making this program a success.

With regards,

Yours sincerely
