Sub: Capacity Building workshops to be conducted in cities between December 2016 and April 2017

Respected Sir,

As you are aware, Ministry of Urban Development is implementing Swachh Bharat Mission (SBM) Urban with a goal to make the country clean and open defecation free by 2nd October, 2019. One of the important components of SBM is capacity building of all city-level and state-level officials and other staff working for the Mission.

2. MoUD is playing a facilitating role in identifying the best practices carried out in selected municipal corporations, and ensuring that officials from other municipal corporations should undertake exposure visits to these selected ULBs, to obtain first hand exposure about these best practices for replicating them in their respective cities. Accordingly, two rounds of exposure visits were conducted in 15 cities between May to July and between August to November, in 2016.

3. Following this, a third round of exposure visits to the cities of **Delhi (North Delhi Municipal Corporation), Hyderabad, Pune, Thane, Coimbatore, Ahmedabad and Pimpri Chinchwad**, are being planned from **21st December 2016 to 7th April 2017**. The training calendar, indicating the tentative dates and themes for these sessions is enclosed at **Annexure-I**. The batch size for each of these training sessions is tentatively being restricted to 30 persons and is likely to increase only as per the discretion of the respective Municipal Corporations.

4. To ensure that your city is benefited from the exposure visits, you are requested to nominate two staff members from your Municipal Corporation for each of these sessions and share their details with the Nodal Persons of the respective host cities. Contact information for requisite Nodal persons is enclosed at **Annexure-II**. Please

note that participants will be selected by the host cities on a first come-first served basis.

5. As this will be a peer to peer learning program, the boarding and lodging of the participating cities can be met from the respective capacity building funds of the nominating cities. All participants must prepare a report on the session that they attended and share the same with their city. For further queries, you may kindly contact Mr. Pravin Bhardwaj from the PMU at +91 9818824258 or email at sbmurban.moud@gmail.com.

I look forward to your cooperation in making this program a success.

With regards,

Yours sincerely,
