

SWACHH BHARAT

A Monthly Newsletter

EDITORIAL

One of the important declarations of the Government of India (GoI) is that of Swachh Bharat - Ek Kadam Swachhata Ki Ore by 2019. The focus of the Swachh Bharat Mission (SBM) on sanitation and solid waste management (SWM) is seen as an important initiative as it highlights the issue of toilets and cleanliness in India. The targets of SBM in urban areas include construction of 1.04 crore individual household toilets, over five lakh community and public toilet seats and 100 percent door to door collection of solid waste, its transportation and disposal. Under SBM (Urban), it is estimated by GoI that about 20 percent of the urban households in cities are likely to use community toilets as a solution due to land and space constraints in constructing individual household latrine. Under this Mission, state and urban local bodies (ULBs) are encouraged to identify land for public toilets and leverage this land and advertisements to encourage the private sector to construct and manage public toilets through a PPP agreement. Additional funding support by any means other than GoI grant can be used for public toilets. The World Health Organization (WHO) and United Children's Fund (UNICEF) estimate that over 50 percent people practice open defecation in India. More than 90 percent of the municipal solid waste collected by ULBs is dumped in the open or in unscientific dumping sites.

In order to reaffirm the SBM commitment, the GoI has launched a 'Clean India' campaign from 25th September 2015 with the participation of all sections of the society to rekindle mass awareness and behavioral change

towards sanitary habits and practices. It is India's biggest ever cleanliness drive and three million government employees and school and college students of the country participated in this event. The campaign is divided into three phases. The first phase aims to target citizen engagement in this Mission while the second phase focuses on extensive cleanliness drive in transportation such as railways, buses, airport and taxis across the country. Theme-based cleanliness drives will be held in the third phase from 1st November 2015 to till 31st March 2016, with various themes related to urban spaces. Each these will be planned over 15 days with focus on agriculture mandis, water bodies, education institutions, tourist places, hospitals, public institutions with the collaboration of concerned Ministries. The concerned Ministries and departments will develop relevant parameters to effectively monitor the drive's progress and evaluate outcomes of the initiative undertaken. The officials concerned of the Ministries and departments will share the report on the parameters, outcomes, and rating of institutions with the SBM Directorate.

Initiative	2-7
Progress Update: Status of Swachh Bharat Mission - Urban as on 13th & 14th October 2015	8

This newsletter showcases the progress of the Swachh Bharat Mission, and brings news of success stories from different cities in India, highlighting the champions and ambassadors of change. It also serves as a vehicle for promoting ground-level practices and knowledge for those interested in making India clean and litter free.

The newsletter is available on the Mission website (<http://swachhbharat.urban.gov.in/>) and can be downloaded for further dissemination. The newsletter is outcome of collective efforts from the states and cities. We thank you for your contributions and welcome suggestions for forthcoming issues.

-Editorial Team, NIUA

INTENSIVE SANITATION DRIVE BY STATES AND URBAN LOCAL BODIES (ULBs)

Uttar Pradesh

Bagit Challenge For A Clean India

The “Bagit” challenge is an initiative launched by Akshat Prakash, a student of Delhi Public School (DPS), Indira Puram, Ghaziabad, Uttar Pradesh, in September 2015. It aims to mobilize a chain of participating schools - all driven by a common objective of making our communities cleaner, healthier and safer via school-to-school nominations. The concept of the initiative is simple to execute:

- A school decides to take up a cleanliness drive in a nearby area that needs clean up;
- School children, armed with safety-kits (e.g. gloves, boots, sanitizers, brooms etc) fill up garbage bags with the waste collected; (a day before, the school contacts municipal workers who would carry away the collected garbage bags for further dumping / processing);
- The school declares on the website the number of bags collected, i.e. its Bag Tally, uploads a video of the clean-up drive on the website;

- The school nominates **three more schools** to try and beat their *Bag Tally*.
- Any school that wishes to participate can also nominate themselves to this challenge, without waiting for invitations or nominations;
- The number of schools grows through a multiplier effect; and
- At the end of the year, bag tallies of all participating schools are compared and an award is given to the “King Baggers”, i.e. the school with the highest *bag tally*.

Akshat presented his concept to the Minister of Human Resource Development (HRD), Government of India, Mrs. Smriti Irani, during a session on the New Education

Policy where he raised the topic of schools and Swachh Bharat Mission. The idea was well received, and the Hon’ble Minister motivated other attendees to support such a cause. Akshat also presented the proof of concept to Minister of State for External Affairs, Gen. (Retd.) V.K. Singh, Member of Parliament of Ghaziabad constituency who also received the idea well. The news of the Bagit challenge has been covered by News Bytes app (<http://www.newsbytesapp.com/timeline/Just%20Like%20That/749/4123>).

In order to spread the message further, Akshat has also spoken in an interview with radio channel RED FM 93.5 about the ‘Bagit Challenge’.

Sikkim

Sikkim launched a Swachh Bharat Mission (SBM) theme song at the state level on 2nd October 2015. Played during a flash mob as part of the celebrations, the song has become popular among the Sikkimese youth. Additionally, during the flash mob, five steps of hand washing were also

demonstrated, providing the assembled children a hands-on view of the correct way of keeping their hands clean and avoiding germs.

Jorethang Municipal Corporation (JMC) in Sikkim organized a ‘Sit and Draw Competition’ on environmental protection for school students.

Gyalshing Municipal Corporation (GMC) organized an inspirational event to recognize efforts by sanitation workers and NGOs working tirelessly on sanitation. The highlight of the event was the use of environment friendly materials (use of earthen crockery, no flex posters or plastic crockery being used).

Maharashtra

On 2nd October 2015, a state level program was held at the Sahyadri guest house, Mumbai. Shri Devendra Fadnavis, the Hon’ble Chief Minister of Maharashtra, in the presence of Chief Secretary, Secretary UD, mayor of Mumbai, as well as President and officers - felicitated 19 ULBs and two wards that had declared themselves open defecation free (ODF).

The Chief Minister also launched a dedicated website (www.swachh

maharashtra.gov.in) by the Maharashtra Urban Development Department under Swachh Bharat Mission.

Additionally, the Chief Minister took a review meeting of all Municipal Commissioners in Mumbai to review the progress of Swachh Bharat Mission and gave instructions to implement it in mission mode. All 26 commissioners presented their plans for ODF and Swachh city. It was decided by all the Commissioners to make urban Maharashtra ODF by 2nd Oct. 2017,

and Swachh by 2nd Oct. 2018.

In Mumbai, as part of the Ganpati celebrations, the Chief Minister launched a Swachh Bharat Mission campaign entitled 'Swachh Mumbai Prabodhan Abhiyan', at Girgaon Chaupati, requesting all Mumbai citizens to contribute to a clean India.

In addition, "Swachhata Prabodhan Rath" by the municipal commissioner of greater mumbai (MCGM) With Street play of "Shree Astha Mahila Bachat Gat" is getting very positive results and response in Mumbai.

Swachhata Pakhwada in Madhya Pradesh

The intensive sanitation drive that commenced on 25th September 2015 saw enthusiastic participation from states and ULBs. Madhya Pradesh has been particularly active on this front. "Swachhata Pakhwada" has been organized in all 378 urban local bodies (ULBs) with great zeal and fervour. The activities were marked by various engagements with citizens on issues of sanitation, hygiene and health. The anniversary celebration drive was kicked off by mega rallies in all towns and cities of state led by respective mayors, MPs, MLAs of and other public representatives. The celebrations also included competitions among school children on essay writing, debates, extempore, painting, and rangoli on sanitation and health issues, as also cultural activities such as skits, songs, pamphlet distribution, and hoisting of cleanliness messages through posters and banners – all intended towards bringing in behavioral and attitudinal change towards sanitation.

The state had chalked out plans for thematic day-wise cleaning schedule with specific days dedicated to:

- Cleaning of schools, colleges and educational campuses
- Cleaning of Railway stations, bus stops, and other public transport areas
- Cleaning of public and private hospitals (CHCs, PHCs)
- Cleaning of water bodies – rivers, lakes, ponds, and bathing ghats
- Government offices
- Sabji mandis and market places
- Other public spaces like parks, gardens, roads, etc.

In addition to intensive cleaning activities in each ward of ULBs, the thematic cleanliness drive included the evaluation

of the door to door collection of garbage, mechanized cleaning of septic tanks, etc. Early morning, cleaning activities were followed by special ward sabhas on issues of sanitation where citizen inputs on improvement of service delivery were discussed.

The salient feature of the anniversary celebrations in the state was the launch of the integrated solid waste management on a PPP model in Katni cluster. The state had planned for solid waste management following a cluster approach with regional landfill sites. This was done to cater to the needs of smaller ULBs who could dispose waste scientifically without investing significantly in land and other resources. The entire state has been divided in 26 regional clusters and an institutional mechanism has been developed to execute integrated solid waste management. The Katni cluster with five ULBs (catering to a total population of 3,21,000) operated by the private concessionaire M/s Ramky Enviro Engineers Pvt Ltd, Hyderabad commenced its functions on 2nd October 2015. The launch was enthusiastically welcomed by the citizen of the concerned ULBs. Armed with new equipments, ULBs have now undertaken complete

door to door collection of waste and its transportation and final scientific disposal. On similar lines, the Sagar cluster with 11 ULBs (catering to a total population of 7,07,279) operated by Ramky Enviro Engineers Pvt Ltd was also launched on 11th October 2015.

Activities in some ULBs are detailed below.

Gwalior Municipal Corporation (GMC)

Cleanliness for GMC has become a 24 x 7 affair. The Corporation has been focusing on cleanliness not only during day-time, but also working extensively to encourage 'Night Sweeping' across the city. For the past one month, Night Sweeping is being carried out from Gurudwara to Padoo (both side), Harira to Padoo, Phool Bagh to Kilagate, Kilagate to Hazira, Hazira to Char Saharka Naka.

Major spots covered are Maharaj Bada Dutt Mandir, Janakganj, Naisark Ram Mandir, Daulat Ganj, Sarafa Hujrat pull to Roxy (both side), Roxy to Bada, Jayandra ganj to Achleshwar, St. Bajaria, Gandhi road (both sides) and Murar.

Sailana Municipal Corporation(SMC)

The SMC organized various citizen-led cleanliness drives such as rallies, pledges, clean-up drives as part of the Swachh Bharat Mission intensive sanitation drives.

In addition, sanctions for individual household toilets, and cleaning equipments were given to different ULBs. Thus, the state undertook anniversary celebrations to promote behavior change through Information , Education , and Communication (IEC) activities, as also ground level implementation through infrastructure creation such as initiation of scientific solid waste management.

Mizoram

On 2nd October 2015, an intensive Mass Awareness Campaign was launched in the state by the Hon'ble Governor of Mizoram, Lt. Gen. Nirbhay Sharma and Hon'ble Chief Minister.

Children also played a key role in the sanitation drive. In the Champhai District of Mizoram, students came together in large numbers to be a part of the Intensive Sanitation drive.

Goa

In Goa, students of Pope John high school, Nitol Goan, Quepem put up inspiring street plays in Goa to spread the word of environmental awareness under Swachh Bharat Mission. Whereas, the school children of Mapusa were at the forefront, where a round table discussion was

organized with 1000 students on Swachh Bharat Mission.

The Municipal Corporation of Ponda conducted cleanliness drives with the involvement of local citizens. Cleanliness pledges were also taken by citizens and municipal staff.

North Delhi Municipal Corporation

The North Delhi Municipal Corporation (NDMC) conducted the extensive cleanliness drives across various parts of the city. The drive involves not just simple sweeping of roads, but proper disposal of waste, watering of plants and re-painting of pavements.

The Corporation has also been proactively taking measures towards combating dengue through door-to-door fumigation across various localities.

commemorate the first anniversary of the Swachh Bharat Mission. The Corporation also conducted a special cleanliness drive in their designated area and staged a Nukkad Natak (Street Play) against Open Defecation in Ward No. 120 to motivate the citizens.

A series of heartwarming street play on the importance of cleanliness by students of Adarsh Public School, Bali Nagar was enthusiastically received by the audience. These plays were organized by SDMC on 6th October 2015 at PVR Vikas

Puri Complex, Jaina Tower Complex, and Dwarka Sector 12 market in New Delhi.

East Delhi Municipal Corporation

The East Delhi Municipal Corporation (EDMC) has been involving school students in their cleanliness drives. The Corporation launched a special drive to clean public toilets and parks. With newly acquired rickshaws to ensure proper collection of street waste, EDMC also organized a drive to clean the Radhu Palace Dalao in Delhi.

South Delhi Municipal Corporation

In South Delhi Municipal Corporation (SDMC), built swachh public toilets in collaboration with the National Building Construction Corporation (NBCC). It was inaugurated by the Hon'ble Cabinet Secretary, Government of India recently to

Amritsar

“Swachh Bharat-Swachh Amritsar”!

This uplifting tagline and logo for Amritsar was released by the Hon'ble Minister, Shri Anil Joshi as part of the Swachh Bharat Mission (SBM) anniversary celebrations. Shri Joshi, along with the Mayor of Amritsar also took the Swachhata pledge at the Government Girls Senior Secondary School, Mall Road, to formally launch a city-wide awareness campaign on SBM.

Amritsar Municipal Corporation

(AMC) launched a ‘Run for Swachh Bharat’ campaign, which is gaining huge popularity amongst the citizens. On 5th October 2015, Shri Anil Joshi, Shri Bakshi Ram Arora, Municipal Commissioner of Amritsar, Shri Pardeep Sabharwal, various Non-Government Organisations (NGOs), students and other citizens came together to spread awareness among citizens on cleanliness issues. On this occasion, a song on sanitation and cleanliness dedicated to Amritsar city was launched. A Swachh Amritsar car sticker and a sticker for gas cylinders was also released by Shri Joshi and the Mayor.

Nagpur Municipal Corporation

Nagpur Municipal Corporation (NMC) erected 100+ artificial tanks on 27th September 2015 for immersion of Ganesha Idol, in order to protect and maintain cleanliness of lakes and rivers. Awareness drives were undertaken among the citizens to ensure that river pollution is kept under control during the festivities.

Faridabad

The school children in Faridabad proved to be inspiring sanitation champions, with creative drawings on theme of cleanliness. In an endeavor to motivate children to participate in the cause of Swachh Bharat Mission, Faridabad Municipal Corporation (FMC) has been actively encouraging them to share their thoughts on the Mission through their creative drawings. A beautiful message shared by the students was “Green City - Clean City – My Dream City”.

As part of the Intensive National

Sanitation drive, the Corporation has also been collaborated with Non-Government Organization (NGO), Trigun and Ganga Social Foundation to conduct Door to Door Waste collection drive across various locations.

On 2nd October 2015, Honorable Minister of State, Haryana and Chief Parliamentary Secretary launched Bio-Toilets and participated in a special cleanliness drive to commemorate the completion of the first year of the Swachh Bharat Mission.

Pune Municipal Corporation

Pune Municipal Corporation (PMC) has been proactively taking forward the ‘swachhata drives’ through regular cleanliness drives, organising Swachhta Pledge, and ‘swachhata’ rallies by school students and river cleaning activities. PMC has also inaugurated an Organic Waste converter of 50 MTD capacity as part of the anniversary celebrations.

SPECIAL THEMATIC DRIVE BY RAILWAYS

Following the conclusion of the anniversary fortnight celebrations of Swachh Bharat Mission (SBM) from 25th September – 11th October 2015 special theme based drives have now started across various ministries and line departments. The period of 15th October – 31st October 2015 saw the transport sector (railways, bus and other public transport stands, airports etc) being the theme of these special drives. The railways were very actively involved in these drives. The Table below summarises the various cleanliness drives and other initiatives undertaken as part of the thematic drives across various stations in the country.

The Metro Rail Authorities have also been organizing awareness initiatives such as banners and announcements in metro stations on the issue of sanitation and cleanliness.

Railways	Station	Type of activities
Central Railway (CR)	Mumbai/CST, Dadar, LTT, Thane, Kalyan, Badlapur, Panvel, Lonavala, Mulund & Nahur.	Nukkad Natak along with display of cleanliness awareness message was organized at various Stations especially at Mumbai/CST, Dadar and Badlapur Stations.
South East Central Railway (SECR)	Bilaspur	Swachhta Pledge administered by GM/SECR at Zonal Head quarters. Nukkad Natak on the theme of improving cleanliness performed by the team of Bharat Scout and Guides
	Raipur	Swachhta Pledge administered by DRM/Raipur at Zonal Head quarters.
	Nagpur	Swachhta Pledge administered by DRM/Nagpur at Zonal Head quarters.
