D.O.No.15/3/2015-SBM (Pt.)

Dated the 14th March, 2015

Sir/ Madam,

The Swachh Bharat Mission (Urban) being implemented in Mission Mode with set time limit upto 2nd October, 2019, requires the proactive role and responsibility of the State/UT Mission Director to liaison with the Government of India and to ensure drawal of Central Allocations at set timelines. As the Mission is about to complete two years out of the five year Mission period, the States/UTs should have ideally drawn about 40% of the Central Allocation as per timelines, duly meeting the conditions and requirements for processing demands, which have been informed to the State/UT Mission Directors from time to time. However, the overall demands raised by most States/UTs are found to be much less than 40% (Statement attached for kind perusal).

In order to motivate the State/UT Mission Directors in achieving the required financial progress, it is requested that timely submission of demands to Gol for release of State's/UT's allocations under Swachh Bharat Mission (Urban) may be made one of the criteria in the performance appraisal report (PAR) of the Officer concerned and if the Central Assistance demanded is not in proportion to the timelines of the Mission, the reasons for the same may be called for and recorded in PAR.

It is felt that this will galvanise the State Mission Directors and enable the implementation of Swachh Bharat Mission (Urban) in timely manner. Necessary instructions to this effect may kindly be given to the Mission Directors and other Officers of the State involved in the implementation of the Swachh Bharat Mission (Urban).

Thanking You,

Yours sincerely,

(Praveen Prakash)
