

DO. No. 9/3/2015-SBM

23rd November 2015

Dear Sir/Madam,

Please refer to my earlier DO of even number dated 14th September 2015 in which the issues regarding engagement of M/s CSC E-Governance Services India Limited for construction of Individual Household Latrines (IHHLs) either through the beneficiary or by bulk construction contractors and NGOs have been clarified covering the aspects of uploading the application form online, uploading the scanned copy of passbook and the uploading the geo-tagged photo of the final work. The same are as follows:-

Payment to M/s CSC:

- a) Wherever toilets are constructed by individuals, payment being made to M/s CSC will be Rs. 15/- + Rs. 5/- as follows:-

Phase	Work done by CSCs	Fees Payable (Rs.)
Phase 1	Complete filling of application form with beneficiary's photo upload and uploading of scanned photo passbook.	15
Phase 2	1 geo tagged photograph uploading for final work	5

- b) Wherever toilets are constructed by ULBs by bulk construction contracts and NGOs, payment will be Rs. 15/- as follows:-

Phase	Work done by CSCs	Fees Payable (Rs.)
Phase 1	Complete filling of application form with beneficiary's photo upload.	10
Phase 2	1 geo tagged photograph uploading for final work	5

cont'd --- p. 2/-

2. Apart from the above, the additional work by M/s CSC and the payment has also been decided as under:-

Work done by CSCs	Fees Payable (Rs.)
For IHHLs	
Uploading of geo tagged commencement photo of IHHL	5
For Community & Public Toilets	
Uploading of geo tagged commencement of photos of Community and Public Toilets	5
Uploading of geo tagged final/completed photos of Community and Public Toilets	5

3. During the interactions with the State Mission Directors of SBM-Urban during the Video Conferences, it has been brought to my notice that there are certain technical and administrative issues slowing down uploading of IHHL data through M/s CSC. This has resulted in a huge backlog between the off-line and on-line data.

4. In order to overcome these issues and to show the SBM-Urban data fully on-line on the portal, it is now decided that the ULBs are free to engage their own setup or private data servicing agencies for completing the online data feed. However, payments similar to M/s CSC may be made only if other private agencies are employed for the on-line data work.

5. The expenditure for uploading data and photos can be met out of the A&OE funds of SBM flowing to the particular ULB.

Best regards,

Yours sincerely,

(Praveen Prakash)

To

1. The Principal Secretaries / Secretaries of all State Governments (UD Department).
2. The State Mission Director, SBM (Urban) of all States.
3. The Municipal Commissioners of 75 million Plus cities and Capital States.
4. Smt. Sharmistha Das Gupta, Sr. Technical Director, NIC, MoUD.
