

सत्यमेव जयते

D.O.No. Q-16019/1/2014-CPHEEO

Dated the 13<sup>th</sup> October, 2015

Dear Sir / Madam,

As you are aware, under SBM, the mission target for the construction of Individual toilets throughout the country is 1.04 crores against which the proposed target for the year 2015-16 is 25 lakh. However, the States have sanctioned 16.45 lakh applications and 4.64 lakh Individual toilets have been completed till Sep 2015.

2 As per the SBM guidelines, the final verification of the construction of Individual toilets should be supported by location-based technologies, wherein self-attested geo-tagged photographs of the construction, along with the applicant are taken out and these photographs must be uploaded to the SBM (Urban) MIS and be monitored by the ULBs and the States. The Ministry has signed a MoU with CSC on June-9-2015. As per the MoU, CSC will assist in filling of application forms and uploading of the geo-tagged photographs on the website.

3 In this regard, it is requested that the respective States shall suitably prepare a work plan in such a way that they shall complete the no. of Individual toilets mentioned in Column C of Annex 1 and get them uploaded in the SBM website through CSC.

Warm Regards

Yours Sincerely

(Praveen Prakash)

To, 15  
Mission Director of ~~all~~ States / UT's
