D.O. No.Q-16019/5/SBM/2016-CPHEEO

Dated the 4th October, 2016

Dear Sir / Madam,

The crude solid waste Dumps existing in the Cities are the single biggest degrading factors for the environment such as the soil, water (both surface and ground water) and air. They also have a negative bearing on the land prices and development in their vicinity and the population in the surroundings are affected with health issues. Hence, it is imperative to scientifically remediate/close the crude dump sites, which will eliminate the biggest eye sores in our cities. Several cities have already carried out remediation/closure of such crude dumps, for example Mumbai (Gorai), Kumbakonam, Hyderabad, Pune, and East Delhi (planning to utilise the Ghazipur dump).

Remediation and closure of crude dumps can be a high-impact intervention under the Swachh Bharat Mission. Hence, Ministry along with the Ministry of Environment, Forests & Climate Change has prioritised the closure/remediation. In this connection, a meeting with the top 20 cities of India has been arranged on 10th October, 2016 at 3 P.M. under the Chairmanship of Shri Rajiv Gauba, Secretary, Urban Development, and Shri Rajani Ranjan Rashmi, Spl. Secretary, MoEF&CC will also be present.

I request you to participate in the said meeting and present 1-2 slides' Action Plan for closing/remediation of the dump in your city. The Ministry of Urban Development will be funding 35% of the project cost under the Swachh Bharat Mission guidelines and some substantial funding by MoEF&CC under their Clean Energy Fund or Green Climate Fund (GCF). The agenda of the meeting is enclosed. I request you to attend the meeting and mail your city's Action Plan for dump closure/remediation to Sh. Saurabh Jain, Director (SBM) at saurabhjainud@gmail.com and also to Sh. V.K.Chaurasia, Joint Adviser at vkchaurasia1969@gmail.com and Sh. J.B.Ravinder, Joint Adviser at jbravinder@gmail.com.

With best regards,

Yours sincerely,

(Praveen Prakash)

To
The Municipal Commissioner,
5 Cities (as per list enclosed) for presenting their Case Study.
20 Cities (As per list enclosed) for attending with action plan.
Copy to Dir (SBM) / JAs, CPHEEO
