D.O. No. PB/SBM/51/2016

Dated 10th October, 2016

Dear Sir,

As you are aware, Ministry of Urban Development is implementing Swachh Bharat Mission (SBM) Urban with a goal to make the country clean and open defecation free by 2nd October, 2019. One of the important components of SBM is capacity building of all city-level and state-level officials and other staff working for the Mission.

2. To effect substantial improvements in the programme for implementing all components of the mission, it is necessary to build the capacities of all relevant stakeholders, including Municipal Commissioners, Municipal Engineers, Health Officers, and Sanitary Inspectors etc. through exposure to new concepts and technologies in the field of sanitation and waste management.

3. MoUD is playing a facilitating role in identifying the best experts in the field to build capacities of Municipal Corporations and Municipalities. Dr. Almitra Patel is a well-known expert in the field of solid waste management and she has consented to take 2 days session in Jaunpur on 18th and 19th of October, 2016. The two days training session is going to focus on waste segregation and on improvement of dumpsites in the city. The first day will be focus on wet and dry separation of waste and the second day will be devoted to improvement of dumpsites. The two day session will have classroom based session and practical exercise.

4. Dr. Patel will conduct the two day session along with her three other colleagues who too are experts in the field of waste management. The air travel, local travel and their stay in Jaunpur for these 4 persons is to be arranged by the State/City from the Capacity Building fund earmarked to the state and the Jaunpur City under SBM. The per diem for the two training programme is to be paid as per the fixed norms of Rs. 1100/- per session (AMRUT)

5. It is therefore, requested to kindly confirm the programme at the earliest and arrange for the stay and travel of the experts visiting Jaunpur and make all necessary arrangements for making this successful.

With regards,

Yours sincerely,

(Praveen Prakash)
