Dear Sir/Ma'am,

The ministry of Urban Development (MoUD), has enhanced some features of the Swachh Bharat Mission (Urban)'s portal to include new functionalities.

2. The cities and states will now be able to upload
  - live tenders
  - post results of completed tenders
  - corrigenda to Live Tenders
  - case studies of best practices
  - details related to exemplary SBM activities performed in the state/ city
  - circulars issued by state/ city SBM teams
3. The path for uploading each of these document types has been mentioned in the email. This email has been sent from the email ID: [no-reply@swachhbharaturban.in](mailto:no-reply@swachhbharaturban.in)
4. The login credentials have already been sent to your registered email id from [no-reply@swachhbharaturban.in](mailto:no-reply@swachhbharaturban.in)
5. In case you haven't received the email, you are requested to check your registered email's spam folders in case the mail is not received in the primary inbox. In case the email is in spam folder, they can select the email and mark it as "not spam", so that all further mails from this ID go in the primary inbox.
6. The old users who already are registered on the portal (state nodal officer and ULB nodal officer) need to login with their registered email ID and password only. They don't need any other credentials.
7. ULBs are requested to take cognizance of this and leverage the new functionality of uploading tenders on SBM portal.

With regards,

Yours sincerely,
