Sub: Procurement of Vehicles and Equipment for SWM and sanitation under DGS&D Rate Contract

Dear Sir/Madam,

As you are aware, with a goal to comprehensively address the issue of Solid Waste Management in India, MoUD, through DGS&D had provided for several equipment under Rate Contract.

2. While the existing Rate Contracts have expired on 31st December 2016, and MoUD is working with DGS&D to renew/issue fresh Rate Contracts at the earliest possible, cities/states are requested to use the old rate contract to procure equipment in the interim. This would ensure that the momentum gained in the country is not lost.

The concerned may be in touch with me in case any clarification is required for the same. Looking forward to your continued support towards Swachh Bharat Mission.

With regards,

(PRAVEEN PRAKASH)
