**Sub: Procurement of PMUs and PIUs through SBM funds**

Dear Sir/Madam,

As you are aware, with a goal to comprehensively address the issue of Solid Waste Management and Open Defecation in India, MoUD, under the SBM (Urban) guidelines, has requested all states and cities to have PMUs/PIUs to support implementation of the mission.

2. In this context, it is clarified that for such services, the Capacity Building and A&OE funds of SBM (Urban) may be used. The expenditure, however, may be judiciously considered in relation to other Capacity Building needs of the Mission, for which State HPC is competent. Consequently, upto a maximum of 70% of the central funds available under the head of CB and A&OE may be utilized for such purposes.

The concerned may be in touch with me in case any clarification is required for the same. Looking forward to your continued support towards Swachh Bharat Mission.

With regards,
