

D.O. No. 16/2017-SBM-1

Dated: 27th April, 2017

Sub: **Release of newspaper Notification to encourage manufacturers of Garbage Bins to register on GeM (Government e Marketplace).**

Dear Sir/Madam,

As you are aware, as part of Swachh Bharat Mission (Urban) a massive drive to initiate Source Segregation of waste is planned to be kicked off on 5th June 2017. I thank you for taking a lot of initiative on this and encouraging all cities in your state to participate.

2. As a part of this drive, MoUD has been facilitating the procurement of 2 colour garbage bin sets by cities through the Government e Marketplace (GeM) portal of DGS&D. Several cities have already availed of this facility, and one of the major cities' reverse auction process for 2.5 lakh sets is expected to start shortly on GeM.

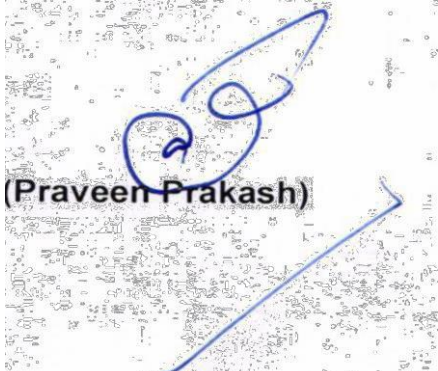

3. MoUDs objective is to ensure all cities get the best prices through this process, for which it is important that manufacturers of these bins which are in the vicinity of those cities participate in the process, because their freight costs would be lower.

4. For this purpose, it is requested that a notification may be released by the state in your local newspapers to inform all manufacturers of garbage bin of this process and to encourage them to enroll/register on GeM. A draft notification is appended with this letter for your reference, it may be modified and/or translated to local language as well. You are requested to release this notification as soon as possible in your local newspapers (size of notification may be decided by you). SBM-U IEC funds may be utilized to pay for such notification release.

Once again, thank you in anticipation for your support and cooperation in making this drive a success.

With regards,

Yours sincerely,

(Praveen Prakash)

To,
Mission Directors of States

Invitation to register on Government e Marketplace for Manufacturers of Plastic Garbage Containers

It is informed that under the Swachh Bharat Mission (Urban), all cities/towns of <<name of state>> are starting a massive drive for waste segregation at source. This drive will start on 5th June 2017 and will go on from that time.

As part of this drive, cities/towns across India are procuring sets of 2 plastic garbage containers for distribution among citizens of their respective cities/towns. Most of the cities/towns are procuring the same through the Government e Marketplace (Product List » waste containers and accessories » swachh bharat 12 litre waste container set).

All manufacturers of plastics, who may be interested in supplying the above, may register on the Government e Marketplace portal (<https://gem.gov.in/>).

For further queries, manufacturers may contact GeM helpline at 011-43505211 / 011- 43505213 and /or email [helpdesk-gem\[at\]gov\[dot\]in](mailto:helpdesk-gem[at]gov[dot]in).
