

D.O.No. MissionDirector-SBM/PMU/A/4/2015

Date: 21/12/2015

To:  
The Municipal Commissioner  
Faridabad Municipal Corporation

Sub: Construction of IHHL on government land permitted under Swachh Bharat Mission

Dear Sir/Madam,

As you are aware that the Ministry of Urban Development is taking numerous steps to improve urban sanitation, providing Individual Household Latrine (IHHL) to every urban citizen is one of our endeavours.

2. A clarification was asked by the Faridabad Municipal Corporation whether IHHL can be constructed on government land, particularly in slum areas.

3. In this regard, it is clarified that IHHL can be constructed on government land if the beneficiary is residing on government land, and it would be admissible for IHHL funding as per the Swachh Bharat guidelines. This is being permitted keeping in mind the importance of public health and urgency of the mission.

एक कदम स्वच्छता की ओर

Looking forward to your cooperation for making this mission a success.

With regards,

Yours sincerely,

(Praveen Prakash)

Joint Secretary & Mission Director (SBM)
