D.O No. MD-SBM/PB/18/2016

10TH February, 2016

Respected Sir,

As you are aware, swachhbharaturban.gov.in is a transactional portal hosted on the Meghraj Cloud of Government of India. The review and the progress of the programme depends on the regular updation of data on the portal by States/UTs. The mission progress is reviewed regularly based on the data uploaded on the portal by the Cabinet Secretary office and Hon'ble Prime Minister office.

2.   For the effective and efficient functioning of the portal the services of the a Data Base Administrator (DBA) is required on a continuous basis as, the portal needs to be functional at all time with faster speed so that data updation is carried out regularly by State/UTs.

3.   In the current month two important review meetings based on the data uploaded on the portal is scheduled. The first meeting with Council of Minsters is scheduled on 17th February and the second meeting will be Chaired by Hon'ble Prime Minister in the third week of February. Every week this transactional portal is also reviewed online by Cabinet Secretary. Therefore, it is requested that to strengthen the portal NIC may assign one DBA fulltime for entire project period i.e. till October, 2019 or assign a person to support Swachh Bharat portal whenever the support is needed.

I hereby request you to kindly facilitate the same.

With regards,

Yours sincerely,

(Praveen Prakash)
