DO No 15/7/2015-SBM

06th October 2015

Dear Sir/ Maám,

I would draw your kind attention to my earlier D.O. letter dated 28 July 2015 on the subject of provision of an online, computer based training (e-learning) facility to municipal employees.

2. You would recollect that this ministry had launched an e-learning portal on 01st August 2015 which is accessible from its website- www.swachbharaturban.gov.in . It was expected that all municipal employees dealing with subject of sanitation and solid waste management will undertake the courses.
3. It is noted that very limited number of officers and employees have actually registered themselves for the courses being offered. Only a handful of personnel have actually undertaken the tests to accomplish the course. It is therefore requested that state mission directorate may take urgent steps to motivate the personnel.
4. The progress of registration of employees with the portal and undergoing the courses offered, can be monitored by you online through the link shared at Annexure-1
5. It is also requested that the state mission directorate may arrange dubbing of audio and translation of text into language understood by most of the municipal employees.

With warm regards

Yours Sincerely,

(Praveen Prakash)
