**Sub: Participation in capacity building workshop "Swachh Survekshan 2017 Cleanest City – Learnings from Indore Municipal Corporation"**

Dear Sir/Madam,

As you are aware, Ministry of Urban Development is implementing Swachh Bharat Mission (SBM) Urban with a goal to make the country clean and open defecation free by 2<sup>nd</sup> October 2019. One of the important components of SBM is capacity building of all city-level and state-level officials and other staff working for the Mission.

2. In the recently conducted Swachh Survekshan 2017, Indore Municipal Corporation (IMC) was awarded the Cleanest City out of the 434 ranked cities. In order to facilitate peer-to-peer learning and help other ULBs understand the initiatives taken by IMC which led to their success, a one day workshop is being hosted by IMC on the topic "**Swachh Survekshan 2017 Cleanest City – Learnings from Indore Municipal Corporation**" on 26<sup>th</sup> May 2017. The agenda and details regarding logistics are attached (**Annexure – I**).

3. As a prelude to the next Swachh Survekshan in 2018, MoUD plans to facilitate workshops in all awardee cities, to ensure other ULBs emulate the best practices and improve their ranking in the next Swachh Survekshan. In this regard, you are requested to kindly nominate at least 2 staff members from your Municipal Corporation to attend this workshop. Please share participant details with:

Mr. Amit Dubey, Indore Municipal Corporation  
(swachhindore@gmail.com; +91 87706 26675)

4. As this will be a peer to peer learning program, the boarding and lodging of the participating cities can be met from their respective capacity building funds. For further queries, you may kindly contact Mr. Rohan Saxena, Additional Commissioner, IMC (+91 98277 81765) or Mr. Amit Dubey, IMC.

I look forward to your cooperating in making this program a success.

With regards,

Yours sincerely,

(Praveen Prakash)
