Dear Vani,

On behalf of the Govt of India, I would like to thank you for your interest in engaging with NRIs to invest in Swachh Bharat related projects.

As you are aware, the SBM-Urban guidelines provide for 40% of Central assistance to be provided to states / cities for construction of gender-segregated community and public toilet seats.

Accordingly, we are glad to inform you that in case any Non-Resident Indian (NRI) is willing to invest the balance 60% of the required funds for constructing gender-segregated community and public toilet complexes (with minimum two seats – one for women, one for men), the toilet complexes in these cities may be named after the NRI donor.

We look forward to your assistance and cooperation in attracting significant amounts of NRI investment in SBM-Urban projects.

With sincere regards,

**(PRAVEEN PRAKASH)**
