

D.O. No. MD-SBM/SK/2016/01

Dated: 9th September, 2016

Subject: **Implementation of PFMS for monitoring of financial transactions under Swachh Bharat Mission (Urban)**

Sir/Madame,

Kindly note that Public Financial Management System (PFMS) has been developed by the Office of Controller General of Accounts, Ministry of Finance for monitoring of all financial transactions which includes Central Sponsored Schemes such as Swachh Bharat Mission (Urban) (SBM-U). PFMS has ability to track all financial transactions till the lowest level of Implementation Agency under the State Governments

2. It has been decided by the ministry to implement PFMS for SBM-U. All Implementing Agencies under the State Government (including State Mission Directorate) are required to be registered in the PFMS portal at <https://pfms.nic.in>.

3. In order to facilitate all transactions on PFMS all agencies should be registered on the portal. To start with all State Mission Directorate should be registered, so that they can facilitate registration of implementation agencies under them. Registration of all State Mission Directorate should be completed by 20.09.2016.

4. Post registration all Mission Directorates are requested to encourage all Urban Local Bodies (ULB) under them to register in the portal. For this purpose a detailed step by step guidelines have been enclosed as **Annexure I**. Registration of ULBs cannot take place unless their State Mission Directorate is registered (as they are the principle approving authority for their state), hence once again it is requested that all State Mission Directorates should get registered on the portal.

5. State Mission Directorate should also appoint a Principle Nodal Officer for all matter relating to PFMS in their office. For any further assistance please contact following in PMU:

- Ms. Swadha Dev IAS, E-Mail: devswadha@gmail.com, (M) 9811489115
- Mr. Saurabh Kumar, E-Mail: kumarsaurbh@gmail.com, (M) 9810094438

6. It is requested that State Mission Directorate should maintain bank account that can be integrated with PFMS. Please refer PFMS Registration Process (**Annexure I**) for further clarity on the matter.

With Regards,

Yours sincerely

(Praveen Prakash)
