# Saluting the Efforts of Residential Welfare Associations (RWAs)

For Proactive Initiatives under

## Swachh Bharat Mission

Our home does not end at the door; it begins there. It is time we took ownership of our role in the circle of life through daily, tiny actions towards cleanliness and hygiene that can make the world a better place to live in.

As part of the thematic cleanliness drive under Swachh Bharat Mission being undertaken in RWAs, Housing Societies and Colonies, contribution of all residents in creating a safe, healthy and hygienic world for our children is required.

The Ministry of Urban Development wishes to acknowledge the good work being done by RWAs across the country in taking proactive initiatives towards 'Swachhata'. We salute their good work, and request every citizen and resident to join the 'Janandolan' towards a clean India.
