

DO No. Q-16019/7/SBM-2016-CPHEEO

Dated 10.09.2016

Dear Sir / Madam,

On the occasion of second Anniversary of Swachh Bharat Mission, Ministry of Urban Development and Ministry of Drinking Water and Sanitation are jointly organizing "INDOSAN-2016" Convention on 30th Sept., 2016 at Vigyan Bhawan, New Delhi. Several Central Cabinet Ministers, Chief Ministers, Ministers, Principal Secretaries, Municipal Commissioner and Mayors are attending the program. INDOSAN shall be inaugurated by Hon'ble Prime Minister of India.

The Ministry has proposed a sanitation exhibition on the sidelines of the event at Vigyan Bhawan (rear parking area). Hon'ble Prime Minister and other dignitaries are likely to visit the exhibition. Technology providers in the field of sanitation (toilets, sewage & sewerage systems) and municipal solid waste management are requested to showcase their products, which are unique in their range and preferably in use by Government Bodies/Agencies in the said exhibition. Space and electricity shall be provided free of charge to the invited exhibitors by the Govt. of India.

Keeping this in view, Technology providers are requested to forward their items for display with complete details of product on or before 15.09.2016 to Dr. Ramakant, Deputy Adviser of this Ministry (Mob. 9990005652). Ministry will issue invitation to display the items at the said exhibition based solely on their uniqueness on first-come-first-served basis, space availability and appropriateness to the Swachh Bharat Mission and no claims in this regard will be entertained by the Ministry. This request for proposal of display is not a confirmation of your participation in the exhibition.

With regards,

Yours sincerely,

(Praveen Prakash)

To

All technology providers in sanitation and solid waste management.
