Annexure 1:

Minutes of Meeting of Joint Secretary (Swachh Bharat Mission - Urban) MoUD: on National School Engagement Campaign

Date of meeting: 20th January 2016

Venue: Office of Joint Secretary (SBM), MoUD, Nirman Bhawan

Meeting attended by:

- Shri Praveen Prakash, JS and Mission Director (SBM)
- Smt Sugandh Sharma (CBSE)
- Shri B L Rama (AICTE)
- Shri N C Ragtah (MHRD-Higher Education)
- Shri B K Singh (Navodaya Vidyalaya Samiti)

Record of discussions:

- The Mission Director (SBM) began the discussions by welcoming the invitees to the meeting. He then proceeded to set the overall perspective by highlighting that while Twitter has 1 billion followers globally, the corresponding number in India is nominal, despite India being perceived to be a 'digital' nation by the world. He also reminded the gathering about the Prime Minister setting up the mygov.in portal as a citizen engagement portal as one of his first actions after taking charge.
- He then said that in an effort to increase the student traffic on mygov, the MoUD has planned to launch a national student engagement initiative, through which all schools and colleges in India would be encouraged to take mass pledges and upload the pledge photos on mygov.in. The JS also demonstrated to the participants the process of registering on mygov.in, clicking on "take a mass pledge" button, and filling up the blank form that opens up with the required institutional details, number of pledges and photos.
- Mission Director (SBM) informed the meeting that the mass pledge would be held from 26th – 31st January'16. Each department was requested to track the number of institutions taking the mass pledge and reporting back to MoUD, for presentation during the Prime Minister's meeting on 4th February'16, where one slide would be presented on the 'mass pledge campaign'.

- While Navodaya and AICTE promised to launch the mass pledge in its schools and institutions from 26th Jan itself, CBSE informed that the pledge taking for their schools would happen between 27th - 31st Jan'16.
- On the question of monitoring, AICTE was asked to create an MIS system for tracking the number of institutions taking the mass pledge, and sharing the data with MoUD. It was then decided that each department would track the progress till 3rd February'16 and mail back to MoUD, for the presentation on 4th Feb'16.
- The Mission Director (SBM) requested each department to have a system of "swachata rating" or "swachhata index" for each institution; the criteria for the rating could be decided by each department and shared with the institutions beforehand. He also gave the example of the ongoing City Sanitation ranking survey in terms of the parameters for the rating.
- CBSE mentioned that they already have a system of sanitation rating for all their 70000 schools (schools are rated green, blue, black based on their cleanliness levels)
- NVS mentioned that Swachh Bharat and regular cleanliness has always been an integral part of their schools. NVS also committed to share all the information regarding mass pledges, as well as the 'swachhata rating' of its 600 schools, by 3rd Feb'16.
- The meeting ended with Mission Director (SBM) informing that a draft letter and detailed instructions will be shared by MoUD with each of the departments, regarding the communication to be sent out to the institutions under their jurisdiction.
