D.O. No. MD-SBM/RS/8/2016

Date: 26th May 2016

Dear Sir/Madam,

As you are aware that Ministry of Urban Development has signed MOUs Bharat Sanchar Nigam Limited (BSNL), Mahanagar Telephone Nigam Limited (MTNL) and Delhi Integrated Multi-Modal Transit System (DIMTS) Limited for providing an ICT based solution for solid waste management in Urban Local Bodies of the country under the **Swachh Bharat Mission** launched by the Hon'ble Prime Minister of India.

As per these MoUs, solution for tracking and monitoring of vehicles engaged in collection and disposal of solid waste in the ULBs, including following activities:

- Monitoring of fleet status by vehicle tracking system (GPS based).
- MIS for waste collection and transportation.
- Real time SMS delivery for vehicle breakdown and maintenance.
- Transparency in civic Administration.

In the next Swachh Survekshan which will be conducted in January 2017, one of the evaluation parameter is tracking of garbage trucks/vehicles by ICT based tools. Therefore, in order to secure higher marks the ULBs to have to deploy ICT based solution for tracking of municipal vehicles carrying solid waste.

In spite of the benefits of deploying the solution and the weightage given in Swachh Survekshan 2017, it has been observed that the ULBs are not able to undertake agreements with the identified partners for implementation of the solution primarily because of the financial constraints.

In view of this, it is proposed that 6 months of payment to the implementation partner can be met from the Capacity Building and A&OE fund allocated to the ULB under Swachh Bharat Mission.

It is proposed to deploy the vehicle tracking system in vehicles which are actually used for carrying and disposal of municipal waste such as Dumper Placer, Refuse Collector, Dumper etc.

It is expected that the ULBs will utilize the Capacity Building and A&OE fund under Swachh Bharat Mission and will be able to sign agreements with the identified implementation partner at the earliest.

With Regards,

Yours sincerely,

(Praveen Prakash)
