

DO No. AP/SBM/09/2015

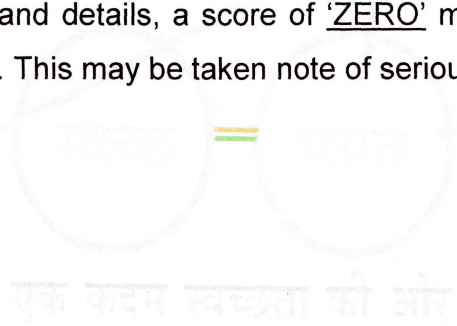

Date: 31st December 2015

Dear Sir,

Sub: Swachh Bharat Mission City Rankings Survey – Schedule of city visit

As you are aware, to encourage cities to improve urban sanitation, Ministry of Urban Development is going to conduct 'Swachh Survekshan' for 75 cities on various components of Swachh Bharat Mission. The Quality Council of India (QCI) is engaged with the Ministry to conduct the assessment from 5th January 2016 onwards. The QCI team member will be available in your city for a duration of 3 days as per the agreed schedule and would interact with you and your respective team members of the Municipal Corporation as part of the survey. It is critical that your office provides the relevant details / documents to the City Ranking Survey team. The schedule of visit of the assessment team in the respective cities is enclosed as Annexure - I

2. The Government of India requests full cooperation from the respective urban local bodies be extended to the assessors in carrying out the survey. Municipal Commissioners are responsible to ensure that all relevant information and records are made available to the Survey Team. It is also requested that clear access be provided to this team to identify physical sites for onsite observation by the assessors. In case of lack of, or unavailability of necessary documents and details, a score of 'ZERO' marks will be assigned to the specific survey parameter. This may be taken note of seriously.

I request your full support to making this 'Swachh Surveskshan' successful so that overall improvement in cleanliness and sanitation objectives defined under the mission can be achieved.

With regards,

Yours sincerely,

(Praveen Prakash)
