D.O No SB-SBM 7/2015

21 December 2015

Dear Sir,

It is observed that some states have been unable to draw their second installment of central assistance under Swachh Bharat Mission as they are unable to produce Utilisation Certificate (UC) certifying consumption of 75% of the amount released/ outstanding with the state.

2. Since Swachh Bharat Mission funds are released under four separate sub-heads viz, toilets, solid waste management, IEC & PA and Capacity Building, it is seen that in many instances, a states/UT is able to substantially expend/ utilize the amount held for a particular component but it is still unable to bid for the next installment as the overall expenditure is less than 75% of the amount already released. Consequently, the proposed development under that head comes to a standstill.

3. In view of above, it is decided that states/UTs, may submit UC for a particular component under SBM, as and when 75% of central assistance already released to the state under that sub-head gets expended. All demands will be processed independently at MoUD.

4. It is also requested that the state/UT should provide a brief indicative work plan while submitting their justification for IEC and CB funds for a particular installment.

5. I call upon all states/ UTs to progress their proposals for FY 2015-16 on priority.

(Praveen Prakash)
