

D.O. No. SBM/PMU/Y/01/2016

1st January 2016

Dear Sir/ Madam,

Wish you all Very Happy New Year.

As you are aware that Quality Council of India will be conducting the 'Swachh Survekshan' for 75 cities on various components of Swachh Bharat Mission from 5th January onwards. The status of city specific mission progress data uploaded on SBM portal (www.swachhbharaturban.gov.in) for IHHL, Community Toilet, Public Toilet, Swachh City Plan and sanitation drives will be key input to the 'Swachh Surveskshan'. For the same, we will seek your support to ensure that the city data is up-to-date on the portal to ensure a comprehensive evaluation.

Request you to review your current status of IHHL, Community Toilet, Public Toilet, Swachh City Plan and Sanitation drives on SBM portal, and if the data in the portal needs to be updated with the latest progress, we will appreciate if the same can be completed by 5 PM on 5th January 2016. If the PMU team can provide any assistance to you or if you face any challenges in updating the progress, please let us know and we will be very glad to provide you and your teams the necessary support to make this 'Swachh Surveskshan' successful. Please feel free to contact your PMU nodal contact person for any assistance.

Once updated, do please inform your PMU nodal contact person so that we can update our records accordingly. In case of non-receipt of any response, it will be assumed that the data on the portal is up-to-date and that the cities are not facing any issues with updating mission progress on the SBM portal.

With Regards,

Yours Sincerely,

(Praveen Prakash)
