

No. 15/38/2015-SBM  
Ministry of Urban Development  
Government of India

New Delhi dated 28<sup>th</sup> September 2015

Subject: Special Drive of Swachh Bharat in Million Plus cities

Dear Sir/Madam

The successful implementation of Swachh Bharat in 53 million plus cities is critical for the success of the Mission. In this regard officers from the Ministry of Urban Development are proposed to be deputed to assess the implementation of the Mission. These officers will visit the cities during the fortnight of 25<sup>th</sup> September to 11<sup>th</sup> October and also after the fortnight is over. To enable a fruitful assessment, the officers will be given the component wise targets of the city which will help them to gauge the performance of the cities and the action plan ahead. You are requested to cooperate with the officers and also furnish information on the following selected areas;

1. DPR preparation for solid waste management and whether gap analysis has been done.
2. The percentage of households having night sweeping and transportation of garbage.
3. Percentage of shops and restaurants etc. having door to door collection.
4. Whether the generators of bulk garbage have been identified and whether door to door collection is happening for such bulk generators?.
5. Whether in the last six months trash cans/dustbins have been repaired and repainted?
6. Visibility of hoarding for the city e.g. there should be at least one big hoarding for a population of 50 thousand.
7. Whether there are dustbins available in commercial areas?
8. Whether number of workers is commensurate with the level of garbage being generated?

Apart from the above, a check list has been provided to the officers to gather information on the activities being carried out during the fortnight from 25<sup>th</sup> September to 11<sup>th</sup> October 2015. A list of the officers will be shared with you subsequently.

Yours faithfully
