

D.O No. MD-SBM/PP/73/2017

8 July, 2017

Sub: Permitting Compost Manufacturers to carry out sale of bagged city compost through the portal as per direct subsidy policy released on 28.09.2017

Dear Sir,

An amendment to the policy on promotion of city compost was released on 28.09.2016, wherein ULBs/ Compost manufacturers can now also market compost directly to farmers in bulk and claim market development assistance of Rs.1500/MT.

2. While the release of the notification permitting sale of compost (in loose) to this effect is awaited from the D/o Agriculture, there are a number of large firms such as those listed in *the Annexure* that are known to have presence in a number of states/cities, a wide distribution network and their own brand of compost, that would like to carry out the direct sale of city compost in bagged form.

3. An intimation was sent to DoF on 24 May 2017 vide D.O No. MD-SBM/FG/60/2017 requesting that the portal for sale be activated for 27 firms as listed in Annexure I with immediate effect. However, action has not been taken in this regard. In the recent times we have received requests from 16 additional firms (As enclosed in Annexure II). We request that the portal be activated for all 43 firms with immediate effect.

Look forward to your cooperation for the success of this initiative.

With Regards,

Yours Sincerely,

(Praveen Prakash)

To:

- Mr. Sushil Lohani, Joint Secretary, Department of Fertilisers;
- Mr. D.P. Srivastava, Director, Department of Fertilisers

List of Compost Manufacturers-Part I

#	State	Plant Location	Name of the Manufacturing Company
