Subject: Swachh Survekshan 2018 Workshops

Dear State Mission Directors,

As you are aware, one of the key components of the Swachh Bharat Mission (Urban), being implemented by Ministry of Housing and Urban Affairs (MoHUA) is to monitor the progress of cities in the mission implementation. Swachh Survekshan, implemented by MoHUA, is one of the monitoring tools used to assess the performance of cities on various parameters. After the success of Swachh Survekshan 2016 and 2017, Swachh Survekshan 2018 will be the largest ever Swachh survey in the world covering 40 crore people and all 4041 Urban Local Bodies (ULBs) of India.

2. In order to keep the ULBs updated on the Swachh Survekshan components/indicators and to address their queries, half-day workshops are scheduled to be conducted in several cities in the month of September. The schedule of the workshops is attached for the states where dates have been confirmed during Video Conference on 29th August, 2017 (**Annexure – 1**).

3. To ensure greater participation in the upcoming workshops, please request ULBs to invite the Mayor and Commissioner/Executive Officer of the city. The host city may also invite all ward members, councillors and corporators in addition to other relevant ULB staff e.g. Municipal Health Officers, Sanitary Inspectors etc.

...contd. P/2

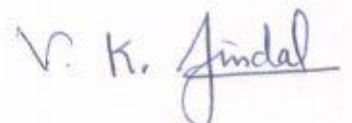

4. Accordingly, I request you to make the required arrangements for the systematic and effective running of workshops to be held in your state. The suggestive action items are:

- Workshop venue to be finalized and booked
- Swachh Survekshan-2018 Workshop Backdrop - designed by the Ministry and being uploaded on the SBM portal.
- Separate areas for exhibitors (15-20 stalls) to be arranged
- Arrangements for Tea and Lunch
- Accommodation (if required) and local travel for officials from MoHUA
- Accommodation for participants, if required (cost of participants to be borne by the participating ULBs from the Capacity Building budget)

5. The workshop will be a 3-4 hours long session, covering Swachh Survekshan assessment indicators. The state(s) may also use this opportunity to showcase their best practices in Swachh Bharat Mission.

I look forward to your cooperation in making these workshops a success.

Yours sincerely,

(V.K. Jindal)
