Date: 16 February, 2018

D.O.No. 15/14/2018-SBM-I

Dear Mission Director,

The Government of India has embarked on an ambitious initiative for rapidly transforming the backward districts in the country. Based on list of such districts identified by NITI Ayog, the status of ULBs under Swachh Bharat Mission – Urban components in the backward districts in your state are given below:

District Name	ULB Name	No. of wards with 100% Door To Door collection	No. of wards with 100% source segregation	Waste Generated (TPD)	Waste Processed (TPD)	ODF Declared
Dhalai	Ambassa	-	-	-	-	No
Dhalai	Kamalpur	0	0	6.0	4.8	No

2. In view of the above, you are requested to expedite the pace of ODF achievement in these ULBs on priority basis, and also take steps to initiate source segregation and scientific waste processing in these ULBs.

3. As you are also aware, the Swachh Survekshan 2018 is being conducted in every ULB in the country. Please refer the survey parameters and components that are being surveyed, as given in the link <https://swachhsurvekshan2018.org/>.

4. Taking steps to address each of the survey components, in addition to the above initiatives in ODF and solid waste management will contribute significantly to the districts' overall transformation. A monthwise action plan for each of the districts to achieve the above may be sent to this Ministry latest by 23rd February 2018.

With regards,

Yours sincerely,

(Naveen Kumar Agarwal)

Shri. Samanta Deb, Mission Director, SBM Urban, Tripura
