**D.O. No. 15/14/2018-SBM-I**

**Dated: 16 February 2018**

Dear Mission Director,

At the outset, let me reiterate our appreciation for having achieved ODF status in all urban areas of your state, and setting a praiseworthy example for other states to follow. However, I am sure you will agree with me that while achieving ODF is a difficult task, sustaining that status is also equally challenging, since it requires that the changed behaviors sustain in the long run, without slippages.

2. On this issue, it has been brought to our notice that of the 383 ULBs which had become ODF, 48 ULBs have now been found to be non-ODF on recertification by the third party (refer Annexure for detailed list of non-ODF ULBs). This, I am sure you will agree, is a matter of serious concern since it has adverse implications on the health of citizens and overall environment, especially in the non-ODF cities.

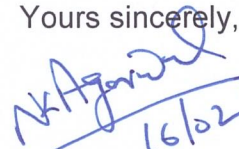

3. You are requested to take up this matter on priority and take all possible steps to ensure that:

- there is no further slippage of ODF status in any other ULB, and
- in the next round of assessment, these 48 ULBs regain their ODF status

4. Please revert on this issue with a detailed plan of how you intend to sustain the state's ODF status going forward.

With regards,

Yours sincerely,

  
16/02/2018  
(Naveen Kumar Agarwal)

Ms Manju Sharma, Mission Director – SBM, Madhya Pradesh
