7 February 2018

D.O. 11021/ 1 / 2018- SBM- 1

Dear Sir/ Madam

Under the Swachh Bharat Mission (Urban), the Ministry of Housing and Urban affairs is in the process of collating best practices from all over the country that have emerged after the inception of Swachh Bharat Mission.

2. The first series of the book, comprising 10 stories, focusses on best practices being followed by cities in the area of Solid waste management. The list of 10 shortlisted cities have been attached in the **Annexure 1** for your reference. As you may agree, this book will not just bring laurels to your city but will also be a guiding document for others to follow.

3. To facilitate the drafting of this book, an official from National PMU (Pooja Lahri, +919686697200) will be travelling to these lighthouse cities to clearly understand the system being followed and document the best practice effectively. You are requested to facilitate site visit arrangements on the dates mentioned in Annexure 1.

4. Further, as we document the case study of your respective city, we would request you to go through it and suggest any factual or editorial corrections, if any, so that we together can release a high quality document on India's waste management practices.

Look forward to your support to make Swachh Bharat Mission a success.

With regards,

Yours sincerely,

NK Agarwal
