D.O No. - (15/16/2020-SBM-I)

8<sup>th</sup> February 2021

Dear Sir/Madam,

This is in continuation to the D.O. Letter (15/16/2020- SBM-I) sent on 27<sup>th</sup> October 2020 seeking the updated details of existing legacy waste dumpsites, along with the project specific details and cost of project for all ULBs of your state.

As you are aware remediation of legacy waste dumpsite/landfill is one of the admissible parts for Central funding under Swachh Bharat Mission.

2) We will be celebrating our 75th year of Independence in 2022. It is hereby proposed to remediate all the legacy waste dumpsites in the cities with population more than 1 lakh before 15th August 2022.

3) We request you to submit a proposal for funding for the dumpsite remediation projects to MoHUA after being duly approved by State High Power Commission (SHPC) by **22<sup>nd</sup> February 2021**. These proposals are invited to release of fund for **ULBs with populations more than 1 lakh** wherein the financial closure of remediation process has not achieved.

The nodal officer appointed by the state is requested to get in touch with Dr. Himanshu Chaturvedi (9891363334)@ [hchaturvedi@kpmg.com](mailto:hchaturvedi@kpmg.com) should there be need for any clarification or further information.

With Regards,

Yours Sincerely,

  
(Naveen Kumar Agarwal)
