D.O. No. 15/3/2021-SBM-I

Date: 26th August, 2021.

Dear Mission Directors,

As you are aware, the ODF+, ODF++ and Water+ protocols under Swachh Bharat Mission (Urban) require that all citizens have access to sufficient numbers of toilets (IHHL, CT/ PT/ Urinals) that are well-maintained and functional, with adequate facilities for men, women, transgenders and differently abled.

2. As per data available on the SBM-U portal, it is found that there are around 6000+ CTs/PTs and Urinals which have been marked as non-functional. The State-wise break-up of the same is placed at Annexure-1.

3. It is requested that remedial measures are taken urgently to make such toilets functional. It may be noted that going forward, cities would not be permitted to mark any toilet as non-functional and will need to ensure that **all CT/ PT/ Urinals, are kept functional at all times**.

4. Accordingly, I would like to request you to take urgent and necessary action on the above points, across all your ULBs, and update the same in the SBM-U portal too.

With sincere regards

Yours sincerely,

(Naveen Kumar Agarwal)
