

Waste to Energy plant at Okhla, Delhi

Timarpur-Okhla Waste Management Co Pvt Ltd is an initiative of M/s Jindal ITF Ecopolis. JITF Urban Infrastructure Ltd won the bid to develop the project on a Built Own Operate and Transfer (BOOT) basis, in a Public private partnership with the Delhi Government as legal Entity: Timarpur Okhla Waste Management Co Pvt Ltd. The incineration plant was commissioned in January 2012 and is processing 2,000 tons per day (TPD) and generating 16 MW. No tipping fee but waste is to be provided by MCD at plant site.

The project is the first and largest integrated waste management project ever being set up in the country. The project is CDM registered with United Nations Framework Convention on Climate Change (UNFCCC) for earning carbon credits. Existing project Site at Okhla was an “Open Dump”.
