**Indicator No.1.1** for the **1<sup>st</sup> Quarter** will now be read as below

**1.1**  
**Qtr-1**

**Percentage of Wards** (including households/premises/gates\*/shops/commercial units) covered with **100% Door to Door Collection** and transportation of solid waste. (Coverage of wards means every unit of household, commercial establishment and shops in the ward).

**Marks**  
**100**

This parameter examines whether your ULB has a system in place for door-to-door collection of waste.

Scheme of Marking	Marks
Collected in > 95% Wards	100
Collected in 80%-95 Wards	90
Collected in 65-79% Wards	70
Collected in 50-64% Wards	50
Collected in 40-49% Wards	30
Collected in 25% - 39% Wards (no marks for <25% performance)	10

\*Gate means the point from where the waste collector collects the waste. For independent houses, the door will be considered as a gate whereas in residential societies, generally there is a single point from where these collectors collect their waste

**Indicator No.2 under 'Citizen Engagement' will now be read as below**

## Citizen Engagement

**Marks 50**

**2. Whether RWAs/NGOs/SHGs/Private Sector/CSR or others engaged to keep your city clean – nature of engagement to be shared (from October 2020 onwards)**

- This indicator would assess the ULB's efforts to engage citizens and other stakeholders proactively. The idea is to ensure all citizens and stakeholders take ownership of cleanliness aspects in the city.
- Private sector needs to be approached by the ULB for seeking active contribution via CSR funds towards city's infrastructure requirements for cleanliness.
- ULB can only provide infrastructure support in all such engagement. **Organization working with ULB on payment basis will not be considered**
- All such activities to be uploaded on Swachh Survekshan 2021 portal and associated social media channel; Swachh Manch and Facebook page of the ULB by **15<sup>th</sup> December 2020** (City name and ULB Code mandatory for entries)

Scheme of Marking	Marks
>50% wards covered in >10 L population cities with minimum participation of 500 citizens (minimum 1 activity in each month) OR a digital campaign having minimum coverage of 5000 citizens	50
>70% wards covered in 5-10 L population cities with minimum participation of 400 citizens (minimum 1 activity in each month) OR a digital campaign having minimum coverage of 4000 citizens	50
