

D.O. SB/SBM/156/2016

Date: 1st December 2016

Dear Sir,

Re: Assignment of project related to SBM-Urban to IAS Probationers

MOUD has identified two slums opposite Nivedita Kunj (Sector – 50, R K Puram, New Delhi) with high incidence of open defecation in its vicinity. We understand that Helpage India is working closely with the communities in that vicinity to bring about behaviour change away from the practice of OD.

Based on the interest shown by two young IAS probationers (batch of 2015), Ms Ira Singhal, and Ms Ankita Anand, they are being assigned to do a project on behaviour change interventions in sanitation for achieving ODF status among slum communities, in partnership with Helpage India. Ms Megha Sharma of Helpage India is also marked on this letter for necessary reference. Their project will be of 6 months duration. Ms Singhal and Ms Anand will apprise you in details about the broad contours of the proposed project.

We would request you to kindly extend the necessary support to Ms Singhal and Ms Anand in their project. Any required expenses for undertaking triggering drives and providing communication materials to the community may be met from the state's IEC funds under SBM (Urban).

Looking forward to your continued support in making this project of SBM (Urban) a success.

With regards,

Yours sincerely,

(PRAVEEN PRAKASH)

To: The State Mission Director – SBM (NCT of Delhi)
