**Subject: Empanelled Transaction Advisors for Solid Waste Management Projects
– Reg.**

As you are aware, the Government of India is implementing 'Swachh Bharat Mission' (SBM) since October, 2014 with the goal of achieving a Clean India by 2nd October, 2019. A key component of the mission is to help cities across India manage Municipal Solid Waste (MSW) in a sustainable manner.

2. In order to support cities in selecting partners for setting up MSW Projects (Collection, Transportation, Processing or integrated), MoUD has empanelled 20 transaction advisors in 2 categories – Category A advisors (14) will handle projects with estimated value over Rs 40 crores and Category B advisors (6) will handle projects with estimated value less than or equal to Rs 40 crore. Cities may select from among these advisors by asking for financial quotes only, this will expedite the procurement process by obviating the need for technical evaluation.

3. The relevant notification, along with list of empanelled transaction Advisors (along with contact details) and indicative scope of work is at **Annexure 1** for your reference.

4. I would like to request you to kindly issue instructions to the concerned officers/municipal commissioners to utilize the services of these advisors for MSW projects.

I will be grateful for your kind support in this regard.

With Regards,

Yours Sincerely,

(Praveen Prakash)
