

the 2<sup>nd</sup> June 2016

No.8/1/2015-SBM

Dear

As you are aware that key endeavor of the Swachh Bharat Mission is to make all 4041 towns/cities Open Defecation Free (ODF) by 2019. Towards this end, outcome of the Mission is monitored on a regular basis through video conferences and meetings with the State Government officials. During these interactions it has come to notice that the ground situation with regard to demand for Individual Household Toilets (IHHTs), Community Toilets (CTs) and Public Toilets may undergo change vis-à-vis the Mission targets fixed for these components. With this in view the Ministry has reviewed the Swachh Bharat Mission guidelines for release of funds under these components and it has been decided as under:

- (i) The States may fix the targets for Individual Household Toilets, Community Toilets and Public Toilets as per actual requirements and reallocate the funds accordingly subject to the overall annual budget of the Mission (for Project Funds) and State's overall Mission allocation of funds for toilets.
- (ii) Better performing States are allowed to submit proposals for funds over and above their allocation for the financial year subject to overall limit of allocation of funds for the Mission period for toilets, Solid Waste Management, IEC and CB.

2. In view of the above, you are requested to advise the State Mission Director of your State to re-work the requirements of funds for various components of the Mission and immediately send the proposals for release of funds accordingly.

With regards,

Yours sincerely

  
(Praveen Prakash)

Chief Secretaries of all the State Governments/ Administrators of UTs  
Principal Secretaries, Urban Development of all the State Governments/UTs  
State Mission Directors (SBM) of all the States

No.18/1/2015-SBM  
Government of India  
Ministry of Urban Development

Nirman Bhawan, New Delhi  
Dated the 1<sup>st</sup> June, 2016

Subject: Revision/modification of the guidelines of Swachh Bharat Mission (Urban) – reg.

With the approval of Hon'ble Minister for Urban Development it has been decided to make the following modifications to the Swachh Bharat Mission (Urban) guidelines:

- (i) The States may fix the targets for Individual Household Toilets, Community Toilets and Public Toilets as per actual requirements and reallocate the funds accordingly subject to the overall annual budget of the Mission (for Project Funds) and State's overall Mission allocation of funds for toilets.
- (ii) Better performing States are allowed to submit proposals for funds over and above their allocation for the financial year subject to overall limit of allocation of funds for the Mission period for toilets, Solid Waste Management, IEC and CB.
